

PERSONAL PROFILE

Motivated MERN Stack Developer with a strong foundation in React, Node.js, Express, and MongoDB. As a fresher, I am eager to apply my knowledge by developing practical and user-friendly applications. I enjoy learning new technologies, solving problems, and continuously improving my coding skills while focusing on clean code and quality results. I am also passionate about building scalable solutions, working in collaborative environments, and adapting quickly to new challenges in order to grow as a professional developer.

EDUCATIONAL HISTORY

Matric

Pak Grammar School| 2021 – 2023
Karachi, Pakistan

Intermediate

Commerce and Economics College| 2024– 2026
Karachi, Pakistan

SKILLS AND EXPERTISE

- Html
- css
- JavaScript
- React js
- Node js
- Express js
- MongoDB
- Github
- Cloudinary

LANGUAGES

- Urdu (Fluent)
- Arabic (Intermediate)
- English (Basic)

WORK EXPERIENCE

- CodeAlpha – Internship (2024 – 2025)
- Learned the basics of the MERN Stack by working on small but practical projects.
- Practiced frontend development using React.js and backend development with Node.js, Express.js, and MongoDB.
- Improved knowledge of HTML, CSS, and JavaScript through hands-on coding and assignments.
- Gained experience with Git/GitHub for version control, collaboration, and project management.
- Enhanced problem-solving and teamwork skills by collaborating with peers and mentors.
- Understood how to structure projects, debug errors, and apply coding best practices in real-world scenarios.

CERTIFICATION

- Web developer (2024-2025)
- Codealpha (internship)
- video editing (2023-2024)
- ms office (2023)

PROJECTS

- Dice game
- complete e-commce-website
- Todo-app
- User management app
- portfolio
